**REQUEST FOR RECONSIDERATION OF
PETITION UNDER 37 C.F.R. 1.47(a)**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In a Decision dated February 14, 2005, the Petition filed January 18, 2005 was dismissed on two grounds:

- (1) There was no showing that inventor Hobbs was sent or presented with a copy of the application as filed, and
- (2) The petition lacked a statement of the last-known address of the non-signing inventor.

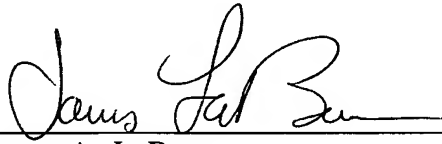

In response to item (1), submitted herewith is a copy of our letter dated April 5, 2004 to Mr. Hobbs, forwarding a copy of the application as filed. This letter is referenced in Exhibit A of the original Petition.

With reference to item (2), it is respectfully submitted that the inventor's last known address was included in the original Petition, namely 5904 Coverdale Way, Apt. A, Alexandria, VA 22310. In a telephone conversation with Douglas Wood, Senior Petitions Attorney, subsequent to receipt of the Decision, he agreed that the information in the Petition met the requirement of 37 C.F.R. 1.47(a) for a statement of the last known address of the inventor.

In view of the foregoing information and the accompanying letter, it is respectfully submitted that all of the requirements of 37 C.F.R. 1.47(a) have been met, and a notice to that effect is respectfully solicited.

Respectfully submitted,
BURNS, DOANE, SWECKER & MATHIS, L.L.P.
